

RACE INFORMATION

Athletes admitted to participate:

Athletes with a university degree in: Medicine-Dentistry, Veterinary-Biology, Pharmacy-Chemistry, Psychology-Psychiatry, Biochemistry-Biotechnology. Technicians and employees in public and private health sector, with copy of degree or proof of employment, living and working in Europe. Being officially registered national competitions, it is mandatory to show affiliations to national biking associations (or equivalent). Certified helmet is mandatory, as well as following the road laws regulated by art.9 of new Italian Code (D.Lgs n.285/92 e subsequent amendments). The organizers will not be held responsible for the participants' failure to respect the Italian road code. Particular care should be taken by athletes that accumulate more than 3' from the largest group. They would still be granted technical assistance and car support.
